Electrical appliances

Electronic devices can be handed in free of charge at the recycling depots. Batteries and rechargeable batteries must be removed and disposed of separately.

electrical appliances (e.g. dishwashers, washing machines, dryers, stoves, refrigerators and freezers and large televisions) will be picked up from home free of charge. Simply order the collection using the online form at www.abfall-steinburg.de. The collection takes place within 3 weeks after registration, you will be informed about the appointment in writing. If you have any questions, ☎ please contact 04821-4039625

Small electrical appliances (e.g. radios, coffee machines, shavers, walkmans, gameboys, etc.) can also be handed in to the mobile waste collection facility in normal household quantities.

pollutants

Pollutants are waste that is harmful to health and the environment.

Paint residues, glues, chemicals, paint residues, pesticides, thermometers, spray cans, etc. can be handed in free of charge at our pollutants collection point:

Company Veolia - Umweltservice Nord GmbH
